1

In person Bioresonance Therapy Session:

£50 per hour (minimum 2 hours needed)
Optional = £10 homeopathic tablets (one month supply)

Includes:

Looking into the physiology and pathology of the body.

This involves looking at Chakras, Meridians, Geopathic stress, Electro-Pollution (e-smog), and the Acid Base Balance (ABB) in the body.

Looking at specific body systems and any pathogens (Viruses, Bacteria, Fungi, Parasites) that may be affecting it.

Once identified, the energetic disturbances are rebalanced, allowing the body's own natural healing and energy system to bring about harmony.

Vitamin and mineral check.

A clearer picture of what to do next.

*

This therapy does not replace Orthodox medicine, and if there are concerns, it is advisable to see your G.P.
